

JOBFAIR 2024 PLATFORM

GUIDELINES FOR STUDENT REGISTRATION

www.jobfair.santannapisa.it is the web site dedicated to the JOBFair2024 - scheduled for the 23th and 24th of October: it includes a public section containing all the information on the initiative and the related organization, including the two-day program and the list of participating companies. Please note that some companies will be present only on the 23th and others only on the 24th (**have a look at the list provided at the end of this document**).

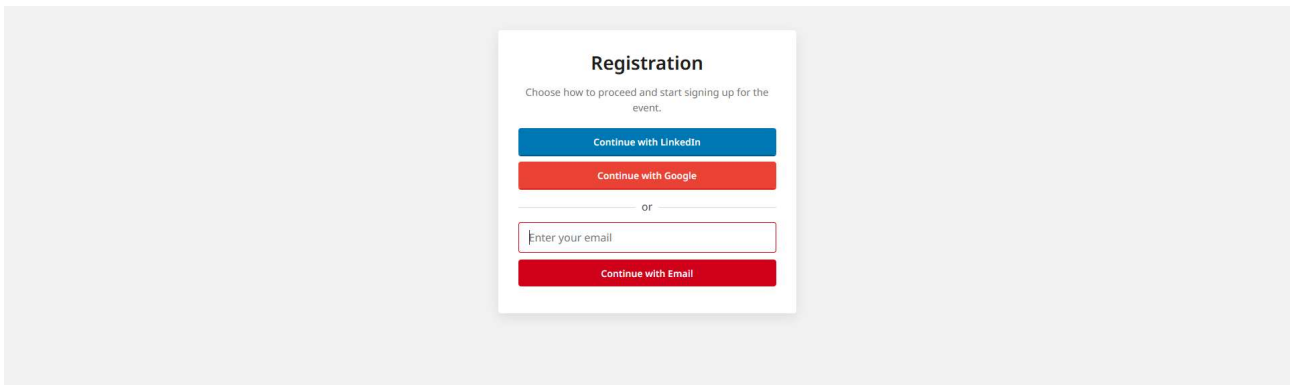

1. The platform also offers a back-office section for the management of the matching between companies and students and the scheduling of the interviews' agendas. You can request an interview with the companies of your interest. You will receive a notification by email when the company accepts or declines your request.
2. Each agenda will be divided into 20-minute slots. Individual interviews will be scheduled:
23th October: from 10am to 12pm and from 2pm to 4pm;
24th October: from 9am to 1pm and from 2pm to 6pm.
3. You will be able to view the profiles of the companies taking part in the initiative while your profile will be accessible only to the companies you have requested an interview with.
4. You can register on the platform **from Tuesday, September 10th to Monday, October 14th (midday)**. Please consider that the "first come, first served" principle applies in generating the agendas. We therefore recommend that you register as soon as possible in order to have more options.
